

## **Biosecurity Protocol**

**ATTENTION ATTENTION ATTENTION ATTENTION**

All horses must be checked in by Camp Leaping Horn Staff.  
All horses' temperatures must be checked by the owner and confirmed by CLH staff **before** the horse comes off the trailer.

Trailers must be parked in the designated location.  
All Manure must be picked out of both indoor and outdoor arenas.

**All horses must follow USET Biosecurity Protocol as follows:**

**All horses must follow Biosecurity Protocol (we are following USEF Rule GR845) .**

All horses entering the New Era Farm grounds must be accompanied by the following:

- 1) **Documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months** prior to entering the stables. THIS IS MANDATORY FOR EVERY HORSE ENTRY AND THERE ARE NO EXCEPTIONS! Horses not in compliance with this will be required to leave the grounds.
- 2) **Statement of Health**, signed by a licensed veterinarian within 7 days of arrival at USET Foundation property.
- 3) **Current negative EIA** (Coggins) Test.
- 4) Current vaccinations against WNV, EEE, WEE, Tetanus and Rabies are strongly recommended.
- 5) It is required that all riders document in writing their horses temperatures for **72 hours PRIOR to arrival** at New Era Farm. Please do **NOT** ship horses with elevated temperatures.

Any horse on the grounds with a fever of unknown origin must be reported immediately

Horses not in compliance will be required to vacate the grounds immediately.

If an elevated temperature is found please notify a veterinarian and Jennifer Ohlsson immediately.
